#### Coquelicot Gourmand

A blend of black teas bringing together aromas of poppy, biscuit and marzipan in a delicious, gourmet recipe.

#### Lapsang Souchong

This tea's assertive smoky fragrance becomes milder, subtler and even delicate after infusion, perfectly reproducing the aromatic palette of traditional Lapsang Souchong in a wonderfully copper-coloured tea.

### Herbal Tea Selection

#### Chamomille

#### Carcadet Nuit D'Été'

Offers the sweetness and the pleasure of freshly picked red garden fruits with this special fruit infusion combining hibiscus flowers with apple pieces and rosehip peel, all deliciously perfumed with the aromas of raspberry, strawberry and - for a touch of generous sweetness - cream.

### Green Tea Selection

#### Jasmine

Among China's most celebrated flower tea compositions, this jasmine tea provides a beautiful balance between a full-bodied green tea and the white flower's sweet and delicate fragrance.

#### Toureg Mint

A Gunpowder green tea, mint leaves and a natural mint aroma give this very aromatic blend incredible power and freshness.
