

Lounge Menu

Come and enjoy one of Scotland's world famous single malt whiskies at our Kingsmills Hotel Whisky Bar.

Scotch whisky is arguably the country's most famous export and one that can be enjoyed all over the world. However, we believe that our malt whisky tastes best when experienced right here in the place it was created. Inverness is at the heart of Scottish whisky country. Situated on the edge of the 'Highland whisky region', we are also within easy distance of the vibrant Speyside area with its old distilleries and historic whisky traditions.

Do you fancy a strongly peated whisky from the Isle of Islay? Taste the salty, earthy flavours of the Island style, sip a light grassy Lowland Whisky or take a trip around with the many Highland and Speyside whisky styles to enjoy. The choice is yours here at the Kingsmills Hotel.
