Life is made up of memorable events...

...at The Kingsmills Hotel
Meeting your needs...

Our dedicated and air conditioned events venue, The Kingsmills Suite offers 410 sqm of the newest, design led meeting and events space.

We listened carefully to what event planners need from a flexible space and the resounding response was “ease of function”. With a relaxing circulation and break out area, exclusively for guests of our Kingsmills Suite you have unsurpassed choice of how to schedule your event.

But you don’t need to be organising a large event to consider the Kingsmills Hotel. The main suite can divide into 4 individual rooms, and with our existing meeting and event rooms in the original house, we have 7 rooms in total. This multi functional space will give flexibility to host large residential conferences with break out syndicate rooms, smaller meetings with impact, large impressive banquets or intimate dinners.

The rooms in the original house are truly elegant and are enhanced by intricately corniced ceilings and some have the original 18th century features. See cosy Adams Room right.

Welcome...

The Highlands of Scotland resonate with historical grandeur, and set within the Highlands is the much-loved Kingsmills Hotel with its own story, steeped in history. It is said that the last Jacobite soldier to be captured after defeat at Culloden, sheltered in the grounds of Kingsmills; fleeing there in the knowledge he would be amongst friends. And the commitment of friendship is one we make to every guest that we welcome to The Kingsmills Hotel.

The Kingsmills Hotel, set within acres of manicured grounds is the perfect blend of historic tradition, contemporary design and passionate service.

Our passion for people and service is what The Kingsmills Hotel is known for. As winners of the Highlands and Islands Best Hotel award we know that you have a high expectation and a lot riding on the success of your event, so do we!

Our culture of personal service and your own dedicated events organiser ensures that your event receives the very best of attention.
